The BCMPA requires Producers to provide preference of audition and engagement to UBCP/ACTRA members. If a Producer has made reasonable efforts to comply and has established that a person who is not a member of UBCP/ACTRA is required for a Production, an application for a work permit must be made to the UBCP/ACTRA. Where UBCP/ACTRA is satisfied that the requirements for a work permit under the BCMPA have been satisfied, a work permit may be issued.
