

Background Member Voluntary Cancellation Form

Declaration of Voluntary Cancellation of Membership

Your decision to cancel your UBCP/ACTRA Background Membership is a personal one. Before taking the next step, we would like you to consider how the cancellation of your membership from UBCP/ACTRA will affect you, with respect to working in UBCP/ACTRA's jurisdiction as a non-member.

Please note the following:

- Your member number will no longer be active, and any benefits that accompanied your UBCP/ACTRA membership are no longer available.
- The benefits you will lose include, third-tier preference of auditioning and engagement, free self-tape resources at the Union, education offerings at below market prices, as well as access to industry events, social functions, committees, and an acting community.
- All accrued hours and days worked as a UBCP/ACTRA Background member will be lost and ineligible for use towards a credit for Apprentice Member status or future membership applications.
- Cancelled Background Members who re-join the Union pay a thirty dollar (\$30.00) reinstatement fee in addition to the re-joining costs.

We encourage you to reapply for membership in the future. For information about how to rejoin the Union, contact the Member Services department at 604 689 0727, or membership@ubcpactra.ca.

I have considered the above and decided to cancel my UBCP/ACTRA Background Membership. I understand the consequences of the decision as noted above, and that this signed Voluntary Cancellation Form will be effective upon acceptance by UBCP/ACTRA.
